

In-Home Services, Private Pay Agencies & Self-Hire Individuals Rutland/Bennington Area

Agencies

The following agencies and organizations provide assistance in helping a person remain independent and living in his/her own home. The agencies do background and reference checks on their employees, supervise the employees, and work to ensure that there is always scheduled coverage.

- Medicare services requested by Physicians include: Registered Nurses, Physical Therapists, Occupational Therapists, Speech and Language Pathologist's and Home Care Aides for personal care
- Private pay care includes: Registered Nurses, Physical Therapists, Occupational Therapists, Speech and Language Pathologist's and Home Care Aides.

Some specific tasks includes: Personal care, light housekeeping, transportation, shopping, medication box fill, blood draws, foot care and eye care (drops) etc....

Home Care Aides can also be employed to give extra attention to a person living in a care facility.
